

WHAT'S BEEN DONE:

- 2021: Gap analysis – review of amenities listed in the plan
- 2022: Parks Listening Sessions – Parks subcommittee of Parks and Public Spaces Committee conducted listening sessions at Village parks and provided online survey for the community.
 - Results: 82 respondents, report created

- 2023: Plan update ramp up – Parks subcommittee continued review of existing plan, suggested updates, held Parks stakeholder meeting (August 2023).
